

# Donation Guidelines

**Peyton Manning  
Children's Hospital**

Ascension St. Vincent

Thank you for your interest in donating items for patients and families served by Peyton Manning Children's Hospital. The following guidelines have been created to assist you and to ensure that your items will be delivered to patients in the most effective manner. Items donated during the year are distributed to patients on a daily basis by our Child Life Team to celebrate holidays, birthdays, treatment milestones, to help kids through particularly tough days or procedures, and to supply toys to our play rooms. For infection prevention reasons, there have been some changes to our donation acceptance policy.

## Donating is as Easy as 1, 2, 3

1. Read our donation acceptance policy
2. Look over our wish lists and collect your items

3. Schedule a time to drop off your donation with our Child Life Team at 317-338-3582

## Acceptance Policy

There are restrictions to what we can and cannot accept. Please review and adhere to the following:

- Due to infection control we cannot accept used stuffed animals, toys, books, magazines, games, handmade cards, or cloth items.
- Several patients have allergies to dust, animal hair, second hand smoke, and pollen. Please make sure all donations have not been in the presence of these things in order to help limit allergic reactions.
- If anyone in your home has had or has been exposed to someone with COVID-19 we will be unable to accept your donation.
- No latex balloons are allowed in the hospital.
- All items should arrive unwrapped and in original packaging. Clothing and stuffed animals must have original tags on them, and not have been played with or left out on display.
- We do not accept food or candy donations of any kind due to patient allergies and/or restricted diets.
- Nerf or other gun style toys, or toys and games with violent themes

## Monetary Gifts
